Dear Donor,

I am honored to be one of the recipients of the Mattie Burney Scholarship. Thanks to your generous support I am the third in my family to attend college.

Growing up in a low income family has not only offered financial and academic challenges, but it has more importantly made me realize the value of a college education.

I have just begun my undergraduate career as a freshman at Augusta State University and can already report my academics off to a first-rate start. My plans at this stage are to complete a major in Biology. Augusta State University offers one of the finest programs in the country and I consider myself fortunate to be able to attend.

I have dreamed of attending medical school and now that I have been named as one of the recipients in the Mattie Burney Scholarship program, my dreams is becoming a reality. I am glad to have the opportunity to thank you personally for your generosity. Without scholarship patrons like you, there would be many students such as myself unable to pursue the career they've dreamed of.

My future plans include pursuing a degree as a Physician Assistant.
