Greetings:

The Beulah Grove Community Resource Center (BGCRC) is a 501(c) 3 not for profit community service agency operating in the 30901 zip code area of Augusta/Richmond County, Georgia since 1993. The vision for the BGCRC grew out of a collaborative effort between the Beulah Grove Baptist Church, the Community, the CSRA Partnership for Community Health, and many other community supporters, businesses, organizations and resource providers. The mission of the agency is to create and reinforce conditions in our community that address the immediate needs of the whole person, while helping individuals understand and develop self-sufficiency.

Today, the Beulah Grove Community Resource Center is continuing to fulfill our mission statement. We are elated as we approach the Fourth Annual **Mattie B. Burney Scholarship**. The mission of the Mattie B. Burney Scholarship is to take a giant step forward in assisting low to moderate income high school seniors and college freshmen on their journey to a higher education. Miss Mattie B. Burney was an advocate for assisting students with funding who could not afford to attend college but desired to further their education. Some of Miss Burney's affiliations include:

- T W Josey High School Alumnae
- Graduate of Benedict College(BA)
- South Carolina State University
- Member of Delta Sigma Theta Sorority, Inc.
- National Association of University Women
- Rosa T. Beard Debutante Society
- The Third Thursday Book Club

In 2010 our goal is to raise \$25,000 and give five scholarships. How can you help? We are inviting you to be a corporate sponsor. Becoming a corporate sponsor, will afford your business several avenues of advertisement such as:

1. A full page color ad in the program booklet
2. Your organization on all advertisement
3. Banquet tickets for eight people
4. Verbal recognition during the dinner
5. A copy of the souvenir booklet

Mission:

BGCRC is dedicated to creating and reinforcing conditions in our community that address the immediate needs of the whole person.

Sponsorships range from \$250 to \$1,000. Should you choose not to be a corporate sponsor your support through the purchase of an ad or any other tax-deductible contribution is also welcomed.

The banquet will be held on November 6, 2010 at 6PM at the Beulah Grove Building of Opportunity located at 1434 Poplar Street, Augusta, GA 30901.

What better way to make a commitment to the community than to assist students with gaining a higher education. You can be assured that your organization would have an extraordinary impact on our ability as partners to reward several deserving individuals with support.

Jean M. Callaway
